BEER ON TAP

TRADITIONAL CARLTON DRAUGHT

Carlton Draught is a traditional, full-strength lager that is crisp on the mid-palate with a good malt character and smooth full-bodied flavour. Clean hop bitterness gives the brew a slightly dry finish. Synonymous with the origins of the brewery itself, Carlton Draught is renowned for tasting as fresh as it did the day it was brewed. And it's that kind of consistency in taste that's been important to Australians

ALPHA PALE ALE

Alpha Pale Ale is brewed in the style of America's North Western pale ales - the brews that drove the U.S. craft revolution.

Deep amber colour, distinctive fruit and citrus aroma with subtle dark crystal malt notes. A full flavoured malty palate is balanced by an assertive bitterness on the finish and complimented by a complex hoppy character.

GOOSE ISLAND MIDWAY SESSION IPA

When we set out to brew our session IPA, our aim was to make a beer with hop character that could be embraced by all, not just "hop heads". We found our inspiration in the Chicago's World's Fair of 1893 that put our humble hometown on the map. At the heart of the Expo was the "midway Plaisance", a mile-long park with games and amusements for everyone. In that spirit, Midway Session IPA has all the citrusy hop hit of an IPA in an approachable hoppy ale.

STELLA ARTOIS

Stella Artois has a rich heritage dating back to 1366 in Leuven, Belgium, and is today the gold-standard of quality in over 80 countries. First brewed in 1926, as a Christmas beer in Leuven, it was named "Stella", Latin for "star", from the Star of Christmas, and Artois, after Sebastian Artois, founder of the brewery.

A Belgian style blonde pilsner, it has a delicate fruity aroma with a slight Saaz hop nose; no obvious citrus, floral, resinous or herbal notes. Medium bodied and well balanced.

MCCRACKENS AMBER ALE

A modern iteration of the original amber ales, originally brewed at McCracken's City brewery circa late 19th and early 20th centuries.

A distinctive aroma of berries and reminiscent of blackcurrant and raspberry which is followed through by notes of burnt toffee and caramel. These flavours transition smoothly to the palate and provide a rich malt driven flavor, rounded out by a smooth bitterness.

BONAMYS APPLE CIDER

Tasmania Cider Co started making quality ciders over 100 years ago, harnessing the skills and techniques of French winemaker Auguste Bonamy. Bonamy's legacy continues by producing a quality traditional cider using similar principles and methods. The apple aroma is ripened and rich with a hint of fruitiness and the palate is reminiscent of fresh pressed apple juice. A mild, dry bite on the palate rounds out the fullness and provides a beautifully balanced cider.

"Black Onyx Steak Special every Wednesday"

Black Onyx is pure MB3+ Black Angus beef raised in the cool climate of Australia's New England tablelands and every Wednesday we are serving it here at The Pumphouse Hotel.

This is THE marbled beef all others are compared to. It's special because it's pure, and pure Black Angus beef is fairly hard to come by.
